

Locating Materials in the Curriculum Lab

Items in the curriculum lab are cataloged under a slightly different system than other items in the library. Curriculum Lab call numbers are made up of a disciplinary code, a form code, a publisher code, the grade level and a textbook component.

Disciplinary Codes

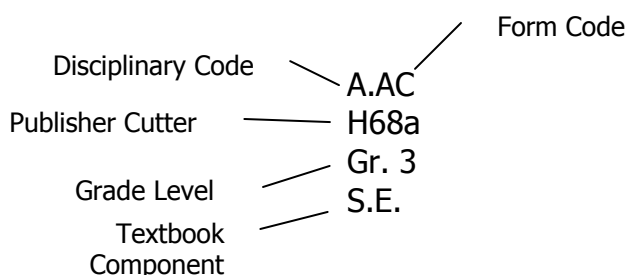

A – Art
B – Business
EC – Early Childhood
F – Foreign Languages
H – Health & Physical Edu
LA – Language Arts
M – Mathematics
MU – Music
R – Reading
S – Science
SE – Special Education
SS – Social Sciences
V – Vocation

Form Codes

.AC – Learning Activity
.RES – Resource Material
.TX – Textbook
.M – Manipulative
(game, kit, etc.)

Textbook Components

S.E. – Student Edition
T.E. – Teacher Edition
T.M. – Teacher Manual or Guide
W.S.E. – Workbook: Student Edition
W.T.E. – Workbook: Teacher Edition
S. – Supplement Material

This call number designates the student edition of a 3rd grade art activity book.

Items in the Juvenile, Juvenile Reference and Reference collections are organized using the standard Library of Congress method, just like the rest of the library. Reference books, Juvenile Reference books and periodicals do not circulate outside the library. All of the manipulatives, textbooks, activity books and juvenile books can be checked out. Montessori manipulatives are the only manipulatives that cannot be checked out.
